Caylee Anthony was last seen on June 9, 2008. Orange County Sheriff's Office investigators are trying to determine the whereabouts and well-being of this child. If you have seen

Caylee with her mother, Casey Anthony, or seen Caylee in the accompany of another since June 9, 2008 please contact the Orange County Sheriff's Office immediately or call Central Florida Crimeline at 1.800.423.8477. Casey Anthony told investigators that she left Caylee with a friend and baby sitter at the Sawgrass Apartment complex located at 2863 South Conway Road.

Casey said she has since lost contact with her friend. Investigators say there was a delay in reporting this incident to the Sheriff's Office. On July 15, 2008 the child's grandparents reported Caylee missing after confronting Casey and learning that the mother had not seen her daughter for well over a month. Casey Anthony was arrested for Child Neglect and Providing False Information to Law Enforcement. Casey Anthony remains incarcerated in the Orange County Jail as of July 23 under a \$500,000 bond granted during a July 22 hearing. Investigators would like to hear from anyone who could assist them in establishing a time line regarding Casey's whereabouts since July 9.
